

REMARKS / ARGUMENTS

The applicant has amended the claims as suggested by the Office Action. In particular, the material added to claims 1 and 15 in the previous response has been deleted and the limitations of claims 2 and 3 have been added to claim 1 and the limitations of claims 16 and 17 have been added to claim 15. Since claims 4-14 depend from claim 1 and claims 18-28 depend from claim 15, it is believed these claims are in condition for allowance as well. Claim 48 has been amended to include the limitations on the anchor pad, as suggested by the Examiner.

A Terminal Disclaimer is filed herewith to obviate the double patenting rejection.

CONCLUSION

Applicant now believes that this amendment complies with 37 CFR § 1.121 and thus requests examination of this Amendment. Applicant respectfully requests that a timely Notice of Allowance be issued in this case.

Respectfully submitted,
